Summer 2020

**Florida Project Learning Tree
Virtual Professional Development
Training Experience**

Florida Project Learning Tree (PLT) is excited to offer educators an opportunity to participate in a Virtual Professional Development Training Experience!

The Virtual Professional Development Training Experience includes two parts:

- **Part 1:** Participate in a 2-hour webinar to explore and experience PLT activities; hear from guest speakers on relevant environmental topics; and discuss ideas with other educators for using PLT to engage students in learning both indoors and outside.
- **Part 2:** Complete an online training (3 modules: Introduction to PLT; Activity Demonstration/Exploration; and “Hike” through the *PreK-8 Environmental Education Activity Guide*—including access to activity e-book). The online training is approximately 2 hours and can be completed at your own pace.

Upon completion of Part 1 and Part 2, you will be provided with a certificate of completion and a copy of the PLT *PreK-8 Environmental Education Activity Guide*.

Register for Part 1 (Webinar)

There are 3 date options for Part 1 (Webinar). All webinars will take place from 10 a.m. to 12 p.m. Please use the links below to register for one of the webinar dates.
