

Which Fish Am I?

Catfish

Bluegill

I am one of the little fishes
I fit perfectly in your hand
Use a #8 hook
If you want me in your pan

I'm not like that other guy
He's got stinging spines
Bass like to eat me for lunch
Because I taste just fine!

If you still don't know which fish I am
Then color the puzzle blue and yellow
If it says blue, color it blue
If not, color it yellow

Use safety scissors to cut me into pieces
And put me back together again!
